Subject: Essay on Death With Dignity by Charles Hamlin, MD

Dear Sir,

Thank you for sharing this. Charlie has written a brief but profound essay on the ultimate question of life. In the eighth decade of life we all must confront this issue. It is tragic to see an individual who has led a dignified and productive life to founder at this passage. Never have I seen the topic dealt with so gracefully.

Sincerely,

Michael Iseman, MD

Dr. Michael Iseman is a pulmonologist in Denver, Colorado and is affiliated with National Jewish Health. He received his medical degree from Columbia University College of Physicians and Surgeons and has been in practice for 49 years.
